SCHOOLS.

The schools during the last year have proved in a large measure successful. The teachers as a rule have been of experience and have worked conscientiously and diligently in instructing the children in their charge. Our School Leagues are doing a splendid work in beautifying the school rooms and rendering them homelike and should be aided and supported by all who are interested in the welfare of our schools. The attendance throughout the school year has been good.

The Superintending School Committee have had entire charge of school property and the work of employment of teachers and have at all times been cognizant of the needs of their respective communities and have discharged the duties of their office in a trustworthy and creditable manner.

I would recommend that the usual amounts be raised for text books and repairs.

It is most pleasing to note that a number of students are interested in advanced work and are taking courses in academics of approved standing. I trust that all who have entered high schools or academics may continue till the completion of their respective courses.

Respectfully submitted.

J. B. CLARK,
Supt. of Schools.

ABOUT the only reason we can think of why you may not buy and wear H. S. & M. Clothes, is that if you have not worn them, you may have some doubt about being satisfied with them —*Style, Quality, and Fit*, —we want to provide against that on this page.

Any man who feels dissatisfied with *HART, SCHAFFNER & MARX CLOTHES*, and who has reason to feel so, can get his money back. They are not infallible as clothes makers, and some men are harder to satisfy than others. But we can always give a man his money back if he has reason to ask it, and if that doesn't satisfy him, nothing will in this world.

When we sell you H. S. & M. Clothes consider your money on deposit, subject to your satisfaction.
